

# Happy Raksha Bandhan

*Dear Sister,*

Actually, I have no words to express my heartfelt feelings on this Raksha Bandhan.

Still, I want to say that you are the world's best brother. You have had my back since my childhood and always support me in every stage of life.

Due to my job here, on this Raksha Bandhan we are not together, that's why I am sending a sweet token of love to you with this letter.

**With Lots of Love Your Loving Sister**  
*Your Brother*
